

# Chloe Evans

## PROFESSIONAL SUMMARY

Focused and driven CTAC program graduate proficient in full-stack web development. Pursuing an entry-level software developer role to apply recent skills, utilize problem-solving strengths, and pioneer inventive solutions within a collaborative team setting. Demonstrated leadership as a Property Manager, managing operations and optimizing team performance, with strong analytical experience as a Rater, providing insights to improve digital content quality for top search engines.

## EXPERIENCE

### Stiegler Edtech CTAC Program

#### Full Stack Web Development Program 2024-Present

- Successfully completed an immersive 6-month program in full-stack web development, with a curriculum centered around JavaScript, HTML, CSS, Node.js, Express, and MongoDB
- Gained practical experience through team-based projects and real-world application development
- Developed strong self-learning abilities, problem-solving skills, and collaborative teamwork techniques, fostering ongoing professional growth in software development

### Delmar Properties LLC

#### Property Manager 2020-2024

- Managed and triaged incoming emails, delegating tasks using project management tools
- Coordinated schedules, performed property inspections, and handled inquiries via email and social media platforms

### Hall and Green Law

#### Office Assistant 2021-2022

- Operated a multi-line phone system, routed client calls to appropriate staff, and resolved back issues
- Processed client payments using secure, digital transaction systems

### Lionbridge technologies

#### Rater 2020-2022

- Conducted in-depth analysis and provided feedback on various digital content (text, web pages, images) for top-tier search engines using proprietary online tools
- Applied detailed guidelines to consistently rate content, maintaining accuracy and adherence to Lionbridge's quality standards in a fast-paced, results-oriented environment
